## Iowa Master Farmer Award Nomination Form

In March 1926, Wallaces Farmer started a program to honor a few farmers each year who assume leading roles in agriculture, citizenship and good family living. Those chosen for the award have been recognized for their achievements in “Good Farming, Clear Thinking and Right Living.” The Iowa Master Farmer award is a sincere effort to honor top Iowa farmers who have devoted generously of their time and energy in building stronger communities and a better agriculture.

The awards are presented in March of each year. Applications for the current year’s awards must be received by October 1 or earlier of the previous calendar year.

Supporting letters from the nominee(s)’ banker, county Extension agent, pastor or other agricultural or civic leaders will strengthen the nomination. These letters are forwarded to the judges for viewing.
